SENCA Recognizes Nebraska Transit Week

6,382 rides were provided to Pawnee and Richardson County individuals during the FY 2018

SECA partners with both Richardson and Pawnee Counties to provide low-cost public transportation programs to local residents. In recognition of public transit programs throughout the state Governor Pete Ricketts signed a proclamation that declared April 7–13, 2019 as Nebraska Public Transit Week. SENCA Transit programs participated in the week-long event by recognizing all riders with a free gift of appreciation. Both Pawnee and Richardson County Transit programs operate Monday-Friday with regularly scheduled hours. Individuals who would like to schedule a ride are asked to contact their local Transit office at least 24 hours in advance. Each program provides transportation opportunities within their local community as well as communities within their county and surrounding area, including Beatrice, Lincoln, and Omaha. For more information or to schedule a ride please call: Pawnee County, 402-852-2208 or Richardson County, 402-245-3664.
