The decision to allow or deny a request for reasonable modification will be based on information from the complainant and ADA regulations and exceptions to the rule. These exceptions are:

1. When the modification/accommodation would cause a direct threat to the health or safety of others;
2. Would result in a fundamental alteration of the service;
3. Would not actually be necessary in order for the individual with a disability to access the transportation entity’s service; or
4. Would result in an undue financial and administrative burden.
